Term Four

April to June 2025

Primary 4A

Miss Addison

I am hopeful that the sunshine will make an appearance and lift the temperatures during our final term of the academic year. Whenever possible, we will be doing our PE sessions outside and make use of our outside spaces to enhance learning experiences. Please ensure that your child has water to drink and is wearing appropriate sun protection, especially if they are prone to burning. We have a lot to look forward to this term. Health Week and Sports Day are still being organised and we will be in touch with these dates as soon as they are confirmed.

Literacy and Language

- We will focus on using different connectives within our sentences.
- We will develop our skills in creating persuasive writing, looking at adverts and writing letters.
- We will further develop our punctuation skills, with the introduction of speech marks.

Number Processes and Beyond Number

- We will begin to explore fractions and how to find simple fractions of an amount.
- We will continue to work on measurement skills, with the focus on length and weight.
- We will revise time work and begin to calculate durations in hours and minutes.

Other Curricular News

- We will be learning about different classifications of animals and looking at different food chains within the animal kingdom.
- We will also be finding out what plants need to grow and be healthy, using different experiments.
- In French, we will be learning how to describe different feelings and emotions.

We continue on our journey to become a Rights Respecting School, with a fresh focus on specific UNCRC Articles (Rights) across the school each month.

Right of the Month:

April 2025

Article (Right Number) 32: Governments must protect children from work that is dangerous or might harm their health or education.

May 2025

Article (Right Number) 6: Every child has the right to life. Governments must do all they can to ensure that children survive and develop to their full potential.

June 2025

Article (Right Number) 9: Children must not be separated from their parents unless it is in their best interests. Children's parents who have separated have the right to stay in contact with both parents, unless this might hurt the child.
