Term Four

April to June 2025

Primary 4 & 5 Mr Schofield

I am hopeful that the sunshine will make an appearance and lift the temperatures during our final term of the academic year. Whenever possible, we will be doing our PE sessions outside and make use of our outside spaces to enhance learning experiences. Please ensure that your child has water to drink and is wearing appropriate sun protection, especially if they are prone to burning. We have a lot to look forward to this term. Health Week and Sports Day are still being organised and we will be in touch with these dates as soon as they are confirmed.

Literacy and Language

- Our focus remains on persuasive writing, inspired by the compelling arguments in "The Great Kapok Tree."
- We've been actively exploring and applying various persuasive techniques in our writing.
- Our class reader, "The Explorer" by Katherine Rundell, is providing a thrilling backdrop for our literacy adventures in the Amazon.

Number Processes and Beyond Number

- We're dedicating time to measure, learning different methods and the crucial skill of converting between units.
 - We will also be diving into data analysis, exploring various ways data is presented and learning to ask and answer insightful questions based on the information.
- Furthermore, we will be investigating chance, using appropriate vocabulary to describe the likelihood of events, drawing on our own experiences and knowledge.

Other Curricular News

- Our exciting topic is the **rainforests of the world**, where we are discovering the interconnectedness of its diverse animal life.
- We are learning about the vital role rainforests play globally as an essential **CO₂ sink**.
- We are also exploring the significant impact of **deforestation** on both animal habitats and indigenous communities.

We continue on our journey to become a Rights Respecting School, with a fresh focus on specific UNCRC Articles (Rights) across the school each month.

Right of the Month:

April 2025

Article (Right Number) 32: Governments must protect children from work that is dangerous or might harm their health or education.

May 2025

Article (Right Number) 6: Every child has the right to life. Governments must do all they can to ensure that children survive and develop to their full potential.

June 2025

Article (Right Number) 9: Children must not be separated from their parents unless it is in their best interests. Children's parents who have separated have the right to stay in contact with both parents, unless this might hurt the child.
