Cluny's May Newsletter

Dear Parents/Carers,

Firstly, apologies there was no April newsletter, the month whizzed by! I hope that you are well and enjoyed the spring heat that we got during the holidays. Our final term is well underway and we are excited about the opportunities to get outdoors in the finer weather so please ensure that pupils are dressed appropriately and have sun cream if needed.

Easter Service

It was lovely to see so many parents/carers attend this service. Rev. Jaco Boonzaaier is always so welcoming to our school community and our pupils were brilliant, especially those with additional tasks/performances. Thank you for your generous donations, £350.56 was raised. Our House Captains have chosen to donate this money to the Linzee Gordon park fund.

Celebrating Success

We really enjoyed celebrating outside achievements at our assembly on Monday 28th April. It's lovely to hear about our pupils' skills and talents and we had a wide array of achievements to celebrate. Miss Cormack will include these photos in next week's website update. Our most recent updates can be found here:

- P6/7M – Sharing the learning - https://www.cluny.moray.sch.uk/children_s_zone/6_7m_mrs_mccallum/sharing_the_learning.html

Health Week/Celebrating Diversity

Miss Cormack and Mrs Shortreed have been busy organising Health Week on the week beginning 16th June. Thank you to those who have already volunteered to support this. If you wish to come in and work with our pupils to boost their health, please contact either of them to arrange this. We will be finishing the week on Friday 20th June by celebrating diversity within the school, further details to follow. We have had suggestions from parents, staff and pupils around this and these arrangements will be confirmed shortly and shared with the school community.

Numeracy and Maths - Sumdog

Sumdog continues to be popular amongst our learners. Homework has now been set for each Primary 2-7 class and new tasks will be issued every fortnight. Please encourage your child to complete these tasks and explore the other resources available. For anyone struggling to access a device, homework club is open to pupils on a Monday after school. Email the office to let us know if you would like your child to attend please.

Lost Property

We have a huge amount of lost property at our front door. The amount is ever-growing. Please encourage your child to reclaim lost items or pop in to the reception area to look for lost items if you wish. Anything not claimed before the summer break will be donated to charity as we do not have space to store these items. Pupils will be encouraged to look for lost items in school before then.

Other School News

- Article of the month – Article (Right Number) 6: Every child has the right to life. Governments must do all they can to ensure that children survive and develop to their full potential.
- As outlined above, we now have Sumdog to help build Mathematics and Numeracy fluency and consolidate learning. If you wish to go beyond this, why not check out our Maths website of the month - <http://www.snappymaths.com/>.
- **Please be vigilant and check your child's head for head lice.**

As always, if there is anything you wish to discuss further, please call or email.

Kindest regards,
