ASSEMBLIES

Today in Assembly we were learning about the film, Lion King and how all animals in the kingdom are dependent on one another. We used this to discuss the importance of respect and being proud of our actions when they make a positive impact on others. We would appreciate if you were able to speak about this with your children. Thank you.

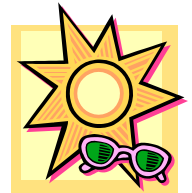

PRIMARY 1 FAMILIES

We are so delighted with how well our new primary 1 children are settling in and coping with school life. Everyone is having a lovely time and doing so well. To help the children gain a little more independence, we would be grateful if families could encourage the children on their own in the morning, with parents now stepping back from the lining up area. Thank you.

LUNCHTIME

As is common practice in other primary schools, no children should leave the school at lunchtime with the purpose of having an unsupervised lunch at the shops. Again, we would appreciate the support of parents and families in this area.

HOLIDAYS

Please remember that Moray Council has requested that family holidays should not to be taken during school time. Any children who are absent for periods of time due to holidays miss essential learning sessions and as per guidance, this will be marked as an unauthorised absence. Teaching work cannot be sent home prior to holidays. I require a letter requesting permission for absence from all parents intending to organise holidays during term time.

ENTRANCE TO SCHOOL – KEEP OUR CHILDREN SAFE!

Safe walking to school continues to be an area of concern. Over the next week, we will be sending some information home for parents and families, along with carrying out a range of curriculum work for the children. In the meantime we would ask all drivers to respect the safety of our children around the school – and to only drive if it is absolutely necessary. We continue to be very concerned about the parking situation along with the speed that a number of drivers are driving.

Yours sincerely,

Miss CJ Wood

Head Teacher
