MACMILLAN COFFEE MORNING

Primary 5W will be organising a Macmillan Coffee Morning for their friends and families. If your child is in this class, please come along and support them. The children are looking forward to helping with the morning. Details have been sent home with the children in this class. The children are also looking for any donations of homebakes or raffle prizes.

PRIMARY 1 FAMILIES

We are so delighted with how well our new primary 1 children are settling in and coping with school life. Everyone is having a lovely time and doing so well. To help the children gain a little more independence, we would be grateful if families could encourage the children on their own in the morning, with parents now stepping back from the lining up area. Thank you.

HARVEST

As we move towards Harvest time, we will be collecting tins of food for the Moray Food Bank. There will be a collection point at the office for tins and packets. Thank you.

HOLIDAYS

Please remember that Moray Council has requested that family holidays should not to be taken during school time. Any children who are absent for periods of time due to holidays miss essential learning sessions and as per guidance, this will be marked as an unauthorised absence. Teaching work cannot be sent home prior to holidays. I require a letter requesting permission for absence from all parents intending to organise holidays during term time.

ENTRANCE TO SCHOOL – KEEP OUR CHILDREN SAFE!

Safe walking to school continues to be an area of concern. Over the next week, we will be sending some information home for parents and families, along with carrying out a range of curriculum work for the children. In the meantime we would ask all drivers to respect the safety of our children around the school – and to only drive if it is absolutely necessary. We continue to be very concerned about the parking situation along with the speed that a number of drivers are driving.

Yours sincerely,

Miss CJ Wood

Head Teacher
