Term Two

October to December 2021

Primary 2BL

Mrs Birnie and Mrs Lawson

Welcome back to term 2. I hope that you all had a restful break. We have a busy term ahead of us with a lot of fun activities planned. As the weather is changing, please ensure that pupils are dressed appropriately for going outdoors. Health and Wellbeing remains a priority for us in class and we will continue to support pupils during this challenging time, as well as, motivating each other to achieve our goals. There is still uncertainty around Christmas parties and our usual Christmas traditions but we will inform you as soon as we know more.

Literacy and Language

- Our main focus will be using our letters and phonics knowledge to read confidently and with fluency.
- We will continue to work on letter formation and size and show we can present our work neatly.
- We will continue to work more independently using our knowledge of spelling patterns and spelling word books.

Number Processes and Beyond Number

- We continue to work on number bonds to 10 and 20.
- Our main focus is to be able to add and subtract single and double digits. Some children will continue to use concrete materials to help them. We will also revise and learn mental strategies.
- We will identify coins and work with money up to £1. We will look at recognising coins, using coins to make amounts to 10p and 20p. Counting in 2's, 5's and 10's, increasing amounts and exploring different ways to make the same total.
