Term Three

January to March 2022

Primary 1A

Mrs. Anderson

Welcome back to Term 3. I hope that you were able to enjoy the festivities under the difficult circumstances that we faced. It is great to see so many pupils returning so fresh and ready for learning. Literacy, Numeracy and Health and Wellbeing remains our priority and we will target these curricular areas in fun, interactive and motivational ways. As the weather remains cold and unpredictable, please ensure that pupils are dressed appropriately for going outdoors.

Literacy and Language

- We will continue to copy letters underneath and then from a board in our writing tasks.
- We will continue to learn the correct letter formations including capital letters.
- We will continue to recognise the letter sounds/blends and use them to help us read.
- Term 2 sounds – qu, ch, sh, th, ng, nk, ee, oo, igh, oa and ai.

Number Processes and Beyond Number

- We will learn to count forwards and backwards accurately to 20.
- We will continue to learn the correct number formations and the value of each number.
- We will begin to learn strategies for adding and subtracting.
- We will recognise symmetry, halves of shapes and halves of numbers.

Other Curricular News

- We will learn about Winter, Day and Night and we will be investigating water in different forms.
- We will be finding out about various science concepts through the context of Toy Story.
