Term Three

January to March 2022

Primary 4MS

Mrs McCallum and Mrs Slater

Welcome back to Term 3. I hope that you were able to enjoy the festivities under the difficult circumstances that we faced. It is great to see so many pupils returning so fresh and ready for learning. Literacy, Numeracy and Health and Well-Being remains our priority and we will target these curricular areas in fun, interactive and motivational ways. As the weather remains cold and unpredictable, please ensure that pupils are dressed appropriately for going outdoors.

Literacy and Language

- We will be focusing on 'Persuasive Writing' and 'Creative Writing' during our writing lessons this term.
- We will be using VCOP (Vocabulary, Connectives, Openers and Punctuation) to uplevel our sentences.
- We will clarify the meanings of unknown words using a dictionary.

Number Processes and Beyond Number

- We will use our knowledge of table facts to learn how to divide and will understand the link between multiplication and division.
- We will describe, follow and record routes and journeys using signs, vocabulary and angles associated with direction and turning.
- We will consolidate our knowledge of time and will learn how to write times using the 24-hour clock format.

Other Curricular News

- We will investigate how to make simple electrical circuits.
- We will investigate famous Scottish people and Scottish places of historical interest.
- We will develop an awareness of the Hindu religion by exploring their key beliefs, practices and traditions.
