Term Four

April to July 2022

Primary 4M

Mrs McCallum

It is hard to believe that we are now in our final term of this academic year. It is lovely to see the sunshine making an appearance. Whenever possible, we will be doing our PE sessions outside and making use of our outside spaces. Please ensure that your child has water to drink and is wearing appropriate sun protection, especially if they are prone to burning. You will receive an 'End of Year Report' for your child next month and we are still in the process of finalising 'Parents' Evening' arrangements. We will inform you as soon as these have been confirmed.

Literacy and Language

- We will be focusing on 'Report Writing' during our writing lessons this term.
- We will learn how to use contractions within our writing.
- We will develop the ability to *summarise* and *predict* when we are reading.

Number Processes and Beyond Number

- We will further develop our knowledge of fractions by learning about equivalent fractions.
- We will learn how to collect data using tally charts and will explore how to display this data in bar graphs and line graphs.
- We will use a variety of coins and notes to pay for items and to give change within £10.

Other Curricular News

- We will learn about the beliefs, traditions and values linked to Hinduism.
- We will learn the skills required to play hockey.
- We will learn about our growing bodies and will show an awareness of the tasks required to look after a baby.
