Term Two

October to December 2022

Primary 2BL

Mrs Birnie and Mrs Lawson

Welcome back to term 2. I hope that you all had a restful break. We have a busy term ahead of us with a lot of fun activities planned. As the weather is changing, please ensure that pupils are dressed appropriately for going outdoors. With the excitement of Halloween past, we will be working hard before the focus turns to Christmas. Homework arrangements remain the same this term. Please continue to encourage reading at home for pleasure. See the HT Newsletter to see what the Maths Website of the Month is to enjoy some fun learning at home.

Literacy and Language

- Our main focus will be using our letters and phonics knowledge to read confidently and with fluency.
- We will continue to work on letter formation and size and show we can present our work neatly.
- We will continue to work more independently using our knowledge of spelling patterns and spelling word books.

Number Processes and Beyond Number

- Our main focus is to be able to add and subtract single and double digits. Some children will use concrete materials to help them.
- We will also continue to count in 2's, 5's and 10's.
- We will identify coins and work with money up to £1. We will look at recognising coins, using coins to make amounts to 10p and 20p.

Other Curricular News

- Our topic this term is Water. We will be reading the story Water Boy which is about a boy who can move water with his special powers. We will also be learning about the water cycle and different types of energy. We'll carry out some science experiments too.
- We are learning numbers to 10 in French and hope to move onto greetings soon.
