Term Two

October to December 2022

Primary P3A

Miss Addison

Welcome back to term 2. I hope that you all had a restful break. We have a busy term ahead of us with a lot of fun activities planned. As the weather is changing, please ensure that pupils are dressed appropriately for going outdoors. With the excitement of Halloween past, we will be working hard before the focus turns to Christmas. Homework arrangements remain the same this term. Please continue to encourage reading at home for pleasure. See the HT Newsletter to see what the Maths Website of the Month is to enjoy some fun learning at home.

Literacy and Language

- We will be continuing our work on sentences to include joining words, such as, 'but' and 'because'.
- In our writing we are learning how to 'set the scene' for a story by using our senses.
- We will be continuing to build on our knowledge of spelling patterns.

Number Processes and Beyond Number

- We are continuing our work on addition and subtraction strategies, using coins.
- We will be developing our knowledge of the multiplication tables in order to begin using them to solve problems.
- We are learning to identify 3D shapes and their properties.

Other Curricular News

- This term we will explore the story of Funnybones, to help us identify the main features of the skeleton.
- We will be learning about food journeys with Mrs Cuthill.
- We will also be working on different ways we can show kindness and respect to other people.
