Term Two

October to December 2022

Primary 3/4L

Miss Laing

Welcome back to term 2. I hope that you all had a restful break. We have a busy term ahead of us with a lot of fun activities planned. As the weather is changing, please ensure that pupils are dressed appropriately for going outdoors. With the excitement of Halloween past, we will be working hard before the focus turns to Christmas. Homework arrangements remain the same this term. Please continue to encourage reading at home for pleasure. See the HT Newsletter to see what the Maths Website of the Month is to enjoy some fun learning at home.

Literacy and Language

- We will be continuing our work on extending sentences to include joining words, such as, 'but' and 'because'.
- We have been learning how to write a sensory poem. Later this term we will be writing instructions for healthy recipes.
- We will be continuing to build on our knowledge of spelling patterns.

Number Processes and Beyond Number

- We are continuing our work on addition and subtraction strategies. We are also developing our knowledge of the multiplication tables.
- We will be learning about money and using this as a context for our addition and subtraction work.
- We have been learning to identify 3D shapes and their properties.

Other Curricular News

- We will be carrying out a geographical country study where we compare Scotland to another country.
- In science we are learning about magnetic and push/pull forces and electrical circuits.
- Our Health focus this term is healthy food, where we will look at the Eatwell plate and make a healthy recipe.
