Miss Watson

Welcome back to Term 3. I hope you all enjoyed the festivities and were able to enjoy some family time. It is great to see so many pupils returning fresh and ready for learning. 'Raising Attainment and Wellbeing' remain our top priorities and we will target learning in fun, interactive and motivational ways. As the weather remains cold and unpredictable, please ensure that pupils are dressed appropriately for going outdoors.

- We will also be learning about alliteration, how to use different conjunctions to join two sentences together and how to use commas in a list.
- We will continue to read a variety of texts for information and we will continue to develop our comprehension skills.

Number Processes and Beyond Number

- In Maths, we will be learning about symmetry, angles, fractions and data handling.
- We will continue to consolidate our knowledge of times table facts and will link this to the concept of division.
