Term Two

October to December 2023

Primary 5W

Miss Watson

Welcome back to term 2. I hope that you all had a restful break. As you can see from the 'dates for your diary' section, we have a busy term ahead of us with a lot of fun activities planned. As the weather is changing, please ensure that pupils are dressed appropriately for going outdoors. Homework remains the same and children are encouraged to do this to support and consolidate the learning that has taken place within the classroom. This also allows pupils to develop a strong work ethic that will benefit them in later life.

Literacy and Language

- We will be learning about poetry and persuasive writing.
- We will also be learning about paragraphs, alliteration and similes.
- We will continue to read a variety of texts for information and we will continue to develop our comprehension skills.

Number Processes and Beyond Number

- We will continue to explore mental and written calculations for subtraction and multiplication.
- We will continue to explore a range of 2D and 3D shapes and will be able to describe their properties using the correct mathematical terminology.
- We will consolidate our knowledge of time this term. We will focus on writing times using the 24-hour clock format as well as calculating time durations.

Other Curricular News

- In Science we will be learning about biodiversity and interdependence.
- In RME, we will explore and discuss the different 'Miracles' performed by Jesus.
- In PE this term, we will be learning a range of Scottish Country Dances and gymnastics.
