Term Two

October to December 2023

Primary 6C

Mrs Cumming

Welcome back to term 2. I hope that you all had a restful break. As you can see from the 'dates for your diary' section, we have a busy term ahead of us with a lot of fun activities planned. As the weather is changing, please ensure that pupils are dressed appropriately for going outdoors. Homework remains the same and children are encouraged to do this to support and consolidate the learning that has taken place within the classroom. This also allows pupils to develop a strong work ethic that will benefit them in later life.

Literacy and Language

- We will be reviewing and editing our writing to ensure it makes sense, is technically accurate and meets its purpose.
- Thinking about ways in which we can improve the quality of our sentences through uplevelling.
- Trying to identify the key ideas of a text with appropriate detail, for example, a leaflet.

Number Processes and Beyond Number

- We will be using mathematical language to describe the properties of 2D and 3D shapes and through investigation will discuss why and where different shapes are used in our environment.
- In numeracy, we will be consolidating subtraction in the context of word problems before moving on to multiplication.
- Leading up to Christmas we will illustrate the lines of symmetry for a range of 2D shapes applying our understanding through creating symmetrical pictures and patterns.

Other Curricular News

- We will be learning about plants, food chains and ecosystems, which will help us design a wildlife area.
- We will be continuing our topic on the Amazon Rainforest and we will be introducing the Mayans.
- We will be exploring the different ways Christmas is celebrated throughout the world.

We continue on our journey to become a Rights Respecting School, with a fresh focus on specific UNCRC Articles (Rights) across the school each month.

Right of the Month:

October 2023

Article (Right Number) 42:

Everyone should know about the UNCRC.

November 2023

Article (Right Number) 24:

All children have the right to good quality health care, to clean water and good food.

December 2023

Article (Right Number) 1:

Everyone has these rights.
