Term Four

April to June 2024

Primary 6C

Mrs Cumming

It is hard to believe that we are now in our final term of this academic year. I am hopeful that the sunshine will make an appearance and lift the temperatures. Whenever possible, we will be doing our PE sessions outside and making use of our outside spaces. Please ensure that your child has water to drink and is wearing appropriate sun protection, especially if they are prone to burning. We have a lot to look forward to this term. Health Week and Sports Day are still being organised and we will be in touch with these dates as soon as they are confirmed.

Literacy and Language

- Up levelling sentences by including a wider range of ambitious vocabulary, similes, metaphors and adverbs.
- We are continuing with our class novel 'The Boy at the Back of the Class' and will continue to undertake relevant literacy tasks.
- In writing, we will be selecting, organising and conveying information in different ways.

Number Processes and Beyond Number

- We will be using our understanding of fractions to investigate the link between fractions, decimals and percentages.
- We will consolidate our learning of the four number processes in different contexts.
- We will be investigating data handling, for example, bar charts, pie charts and line graphs.

Other Curricular News

- We will be learning about the beliefs, traditions and values linked to Islam.
- We will be learning about the culture of Ancient Greece, Greek myths and legends and the Olympics.
- We will be learning about Scottish mythology and history.
