Term Four

April to June 2024

Primary 6S

Mr Schofield

It is hard to believe that we are now in our final term of this academic year. I am hopeful that the sunshine will make an appearance and lift the temperatures. Whenever possible, we will be doing our PE sessions outside and making use of our outside spaces. Please ensure that your child has water to drink and is wearing appropriate sun protection, especially if they are prone to burning. We have a lot to look forward to this term. Health Week and Sports Day are still being organised and we will be in touch with these dates as soon as they are confirmed.

Literacy and Language

- Reflective reading sessions are going to be prominent in our class this term as our theme is going to draw on the novel *Wonder* by RJ Palacio and the emotional wellbeing message it communicates.
- We will begin the term with persuasive writing.
- This term we will be working on ensuring we have a sound understanding of all parts of speech. We will be learning about the rules of use for apostrophes.

Number Processes and Beyond Number

- Solving word problems; we shall be developing strategies to help us understand word problems. In addition to this, we will be practising how we solve multistep problems.
- We will be exploring measure in our environment, undertaking practical activities involving measure and using our knowledge of measure to solve contextual problems.

Other Curricular News

- Our topic this term is going to be *The Body*. We are going to be investigating; how we look after ourselves, both emotionally and physically, how our body works and how our bodies are made.
