Class Newsletter

Term One

August to October 2024

Primary 3/4W

Miss Watson

Welcome to another school session at Cluny Primary School. You will get a class newsletter every term. We take this opportunity to outline some key aspects of our learning. Please note that these targets are adapted according to the individual abilities in class.

We hope you find this information is useful.

Literacy and Language

The children will receive their spelling words on a Monday and their homework should be returned to school on a Friday. Please practise the weekly words every night before the spelling assessment on a Friday. The children will also take their reading home on a Monday. Please read the book and return it on a **Thursday**. Thank you 😊.

In writing, we will be focusing on developing our sentences. We will use VCOP to help us with this. We will also be learning about recount writing.

Number Processes and Beyond Number

In maths, we will be exploring place value in different contexts including a variety of real-world applications. We will also be learning about rounding, estimating, addition and subtraction. The children will participate in daily mental maths to help consolidate their learning.

The school day:

- 9am start
- 10.40-11am break time
- 12.40-1.30pm lunch time
- 3.10pm finish

Please ensure that children wear a jacket and suitable shoes to school every day. Children should also bring a water bottle and a healthy snack.

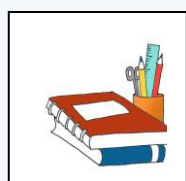

We have P.E. on Monday and Wednesday.
