Class Newsletter

Term One

August to October 2024

Primary 5

Mr. Young

Welcome to another school session at Cluny Primary School. You will get a class newsletter every term. We take this opportunity to outline some key aspects of our learning. Please note that these targets are adapted according to the individual abilities in class.

We hope you find this information is useful.

Literacy and Language

- Our whole class novel will be Bill's New Frock by Anne Fine. We will also read a range of shorter texts in our reading groups. We will begin to work on comprehension strategies such as reading for understanding, using inference and thinking about the language the writer has used.
- In our writing, we will focus on non-fiction texts. We will work on writing recounts and information texts such as explanations and instructions.
- We will develop our knowledge and understanding of parts of speech - nouns, verbs, adjectives and adverbs. We will also revise and develop our use of capital letters, full-stops and commas.

Number Processes and Beyond Number

- We will use TT Rockstars every day to help us practise our multiplication and division tables. We will also use Beat That, Big Maths and other resources throughout the week to help us practise and improve our basic numeracy skills.
- In numeracy, we will focus on working with whole numbers. This will include place value, rounding, addition, subtraction, multiplication and division.
- In Beyond Number, we will focus on identifying line symmetry and completing symmetrical shapes.

Other Curricular News

- In science, our topic will be Light and Sound.
- In Health and Wellbeing, we will focus on rights and responsibilities, friendship and feelings.
- In P.E, our focus will be on invasion games and our context will be Tag Rugby.
